Subject: dHybrid Waiver Application for OUL trucks

Steven,

Attached is the waiver application for the trucks that we will be certifying for OUL. Please let me know if you would like anything else for these. I am working on a very detailed Engineering White Sheet for you on our OUL certificate.

Sorry for not having everything I needed last time Steven. I apologize. I have been understaffed and have been doing a lot myself, which is not an excuse, but I appreciate you telling me what I was missing.

Trevor
